FOR IMMEDIATE RELEASE

CITY REMINDS MOTORISTS OF PEDESTRIAN SAFETY ALONG I-5 AT PICO & VISTA HERMOSA

February 3, 2017...San Clemente, California....The City of San Clemente would like to remind drivers about pedestrian safety. With the ongoing construction along the I-5 and Avenida Pico and Avenida Vista Hermosa Interchanges, it is important that motorists respect construction zones and pay attention to signage installed around these projects. These projects can affect normal traffic patterns and speeds with reduced speed limits enforced. The City urges all motorists to be cautious on the road to protect pedestrians using crosswalks at the Interstate 5 on- and off-ramps at the Avenida Pico and Avenida Vista Hermosa Interchanges.

The sidewalks and crosswalks at these interchanges can receive heavy pedestrian use, particularly before and after school. Motorists are urged to look for and be aware of pedestrians and exercise caution when exiting or entering freeway off-ramps or on-ramps. Your cooperation and safe driving is appreciated.

For information about the I-5 construction, please visit www.octa.net/I5Pico.
