(949) 361-8254

**FOR IMMEDIATE RELEASE**

### **CAMINO DEL RIO INTERSECTION IMPROVEMENTS – CONSTRUCTION UPDATE**

June 15, 2017...San Clemente, California... The construction of the intersection improvements and paving on Camino Del Rio is under way with a target completion date of mid July 2017.

To facilitate the completion of the paving on Camino Del Rio and roundabouts at the intersections at Camino Del Los Mares and Calle Sarmentoso, the Contractor, All American Asphalt, will need to close the two intersections. The two intersections will be closed at different time periods to minimize inconvenience for the local community during the detour periods:

- The intersection of Camino Del Rio and Calle Sarmentoso will be closed on **Tuesday, June 20, 2017 from 7:00 a.m. to 5:00 p.m.** (see attached map); and
- The intersection at Camino Del Rio and Camino De Los Mares will be closed on **Wednesday, June 21, 2017 from 7:00 a.m. to 5:00 p.m.** (see attached map).

Access to homes in the communities adjacent to Camino Del Rio will be maintained at all times.

Following the paving of Camino Del Rio and roundabouts, the street will be re-opened. Please plan alternative routes during this time period and adhere to the detour routes.

The City greatly appreciates your patience and cooperation as it betters your street network. If you have any questions on the project, please contact Ben Parker, Senior Civil Engineer at 949-361-6138.
