FOR IMMEDIATE RELEASE

City Announces Availability of Grant Applications for Civic Projects, Social Services and Housing Programs

November 28, 2017...San Clemente, California...The City invites non-profit organizations serving San Clemente residents to submit a request for grant funds from the City of San Clemente for civic projects, social services or housing and homeless support services.

Funding requests will be considered for grants for a new service, event or an established program. Funds may be allocated to pay for one-time costs, staffing costs or operation costs (rent, supplies, professional or special services). The City should not be considered the sole funding source for the project. Grants are for the 2018-19 fiscal year, which begins on July 1, 2018. Last fiscal year the City provided approximately \$83,000 in funding.

The application is currently posted on the City's website under the Services/Housing & Social Services/Social Services link. Applications must be submitted to the Community Development Department at 910 Calle Negocio, Suite 100, San Clemente by Friday, January 19, 2018 at 4:00 p.m.
